LEARNING OBJECTIVES

At the conclusion of the Symposium, participants will be able to:

1. Explain the potential medical complications of opiate withdrawal in medically compromised patients.
2. Discuss the differences between providing supervision and doing therapy, as well as the importance of balancing the roles of administrator and supervisor.
3. Identify four (4) professional boundaries that pose a risk for objectivity loss.
4. Describe the research evidence for drug addiction as a chronic condition.

Continuing Education and Registration Form – September 16, 2010 COMP Symposium

Six (6.0) continuing education credits/contact hours (CEs/CEHs) are available at no additional charge. Partial credit will not be awarded.
